

Custom RA7F+L Request

\$85.00 per form | Fee includes cost to register completed form

This request is for adults who are capable to understand the nature and effect of making an Enduring Power of Attorney (EPA) and have decided to make RA7 F+L instead.

IMPORTANT: Open and complete this page using Acrobat Reader. To download the free Reader click <https://get.adobe.com/reader/>

NOTE: It is a good idea to review the free [Basic RA7F+L](#) at the Nidus website. You will learn a lot that applies to a customized Agreement. You will learn about the role of monitor as a flexible way to meet the extra safeguard requirement if authority for finances is included.

Select ONE of the following:

TERMINOLOGY: Independently = one or both to give flexibility. Unable = due to permanent condition like death or temporary condition like illness.

RA7F+L — for routine finances and legal affairs only (instead of an Enduring Power of Attorney)				
NOTE: The RA9 is NOT part of RA7F+L or EPA. These are separate documents and cover different authorities.
