

Custom RA7H+P Request (where capability to understand is in question) \$85.00 per form | Fee includes cost to register completed form

This is for requesting a Custom RA7 H+P — only health and personal care authorities under section 7, because the adult’s financial and legal affairs are covered by other means.

NOTE: It is a good idea to review the free [Basic RA7H+P](#) at the Nidus website. You will learn a lot that applies to a customized Agreement. You can read about the types of legal authorities that may be in place for an adult’s financial affairs.
